

Ummm... I'm Wondering...

- What questions do I have about what I learned in this unit lesson?
- Where / How can I find the answers?

A large, light gray question mark icon with a subscript '1' is centered inside a white, rounded rectangular box with a gray drop shadow. The box is oriented horizontally with the top-left corner rounded.

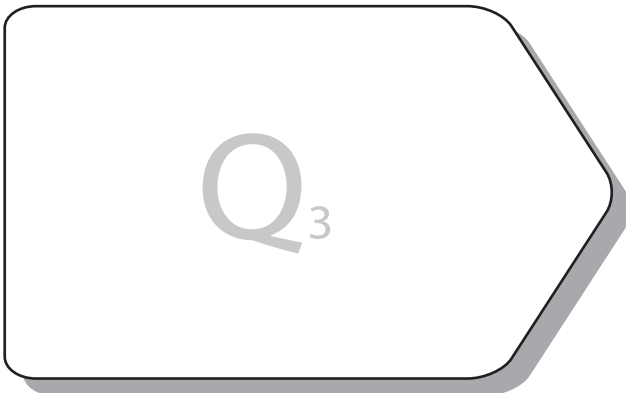

A large, light gray answer icon with a subscript '1' is centered inside a white, rounded rectangular box with a gray drop shadow. The box is oriented horizontally with the top-right corner rounded.

A large, light gray question mark icon with a subscript '2' is centered inside a white, rounded rectangular box with a gray drop shadow. The box is oriented horizontally with the top-left corner rounded.

A large, light gray answer icon with a subscript '2' is centered inside a white, rounded rectangular box with a gray drop shadow. The box is oriented horizontally with the top-right corner rounded.

A large, light gray question mark icon with a subscript '3' is centered inside a white, rounded rectangular box with a gray drop shadow. The box is oriented horizontally with the top-left corner rounded.

A large, light gray answer icon with a subscript '3' is centered inside a white, rounded rectangular box with a gray drop shadow. The box is oriented horizontally with the top-right corner rounded.
