

What helps to make families “close”?	Where is the best place to raise a family – country or city?
What is a good age for a male to marry?	What is a good age for a female to marry?
Is it better to be single or married? Why?	How do parents show love to children?
Give 1 “rule” your family has (or had).	Should kids live with their parents <u>until</u> they get married?
What would you change about your childhood?	For teenagers, are friends more important than family? Give an example.
Should children help with housework?	What is the best thing about your family?
Give 2 advantages of being an only child.	Give 2 advantages of having 1 or 2 siblings.
